#### **DEFENSE STANDARDIZATION PROGRAM**

QUARTER ENDING 31 DECEMBER 1991

**SDMP** 

## **DISTRIBUTION STATEMENT A.**

Approved for public release; distribution is unlimited.

92 9 29 072

92-26183 WILLIAM 305 et

#### FOREWARD

This document shows the status of standardization projects for the development, revision or amendment of standards, specifications, handbooks, and studies. The document has been compiled by the Defense Printing Service Detachment Office, Philadelphia, from data submitted by the military services and the Defense Supply Agency for use in the management of those projects. This document will be issued quarterly.

The DOD Single Stock Point distributes two copies of the SD-4 to each addressee listed in Part 2, Sections 1 through 5 of the Defense Standardization Program Directory (SD-1). Government activities requiring an additional copy of the SD-4 publication should direct their request to:

DODSSP Standardization Document Order Desk Bldg: 4D 700 Robbins Avenue Philadelphia, PA 19111-5094

#### CONTENTS

This publication is composed of three parts. The first part lists standardization projects in Federal Supply Class (FSC) sequence. The second part is in preparing activity symbol sequence. The third part lists, in FSC sequence, projects that propose cancellation of a standardization document.

CARD COLUMN	COLUMNAR HEADING	DESCRIPTION
1-4	Project FSC	The FSC or FSG (Federal Supply Classification or Group) or the symbol of the Area assignment.
5-8	Project Number	The number assigned to the project by the assignee activity.
9-10	Project Suffix	The number identifying a sub- project of the basic project.
11-50	Title	The document identifier number and document title or an abbreviated scope of a study project.
51-52	Preparing Activity	The symbol of the preparing activity as shown in the SD-l (Standardization Directory).
53-54	Agent	The symbol for the activity which acts for, and by authority of, the preparing activity in the preparation of standardization documents, performance of study projects and administration of QPL's. The preparing activity, however, retains responsibility and approval authority for the work accomplished.
66	Basis	Identifies the underlying cause or basis for the project.
		A Advancements in technology, methods or practices.
		B Needed for imminent acquisition.
		C Editorial correction, reinstate omitted material, correct errors.
		D Overage document review.

#### DTIC QUALITY INSPECTED 3

E Study to reduce item inventory.

CARD COLUMN	COLUMNAR HEADING	DESCRIPTION
		F Requested for other reasons (e.g., feedback from DD Form 1426, change to user require- ment, direction of higher authority, special emphasis product, etc).
		G Requested to serve as military coordinating activity (MCA) on GSA/USDA prepared document/study. (The MCA is identified as the preparing activity in columns 51-52).
55		H Proposed cancellation of a standardization document.
56	Action	Identifies the action being taken.
		l. Amendment, Change Notice
		2. Revision
		3. Item Reduction or Engineering Practice Study
		4. New Document
		<ol> <li>Notice (e.g., adoption notice for a nongovernment standard, cancellation notices, notice of inactivation for new design, etc).</li> </ol>
57	Policy	Indicates whether or not the project is the result of one of the special interest areas listed below. If not applicable this column is left blank.
		A Commercial Item Description or reduction of government unique requirements.
		B Nongovernment standard participation.
		C Metrication.
	•	D International standardization agreement.
		E Resource conservation.

COLUMN	HEADING	DESCRIPTION
		F Toxic materials.
		G Energy conservation.
		H Part numbering.
58	Plan	Projects resulting from a current standardization program plan (FSC or Area) are indicated with a "P". If not applicable this column is left blank.
59-70	Schedule	The last two digits of the Fiscal Year and the number of the Fiscal Year quarter in which the project is forecast to be (or was) initiated or completed.
71	Status	A Project initiated and work started.
		G Project completed.
		Y Project discontinued.
		Z Project to be initiated (planned project).
72-79	Custodian	The symbols, as shown in the SD-1, of the Custodians for the Army, Navy, Air Force, Defense Logistics Agency or other Government Agency.
80	Transaction Code	N Identifies an initial data sub- mission for a new project.
		U Identifies subsequent submissions of data to update or correct previously submitted data.
CONDITION CODE		A Project not started as scheduled.
		B Project not completed as scheduled.
		C Project not completed as scheduled and estimated completion date has passed.
		D Estimated completion is next quarter
